A busca pela melhoria da produtividade dos bioprocessos

The search for bioprocess productivity improvement

Pharmaceutical Technology Europe, Vol. 31 Nº 5 (2019)

Gerenciando a limpeza de equipamentos biológicos

Managing biologic equipment cleaning

Pharmaceutical Technology Europe, Vol. 31 Nº 5 (2019)

Dourando a pílula

Gilding the pill

Pharmaceutical Technology Suplemento Solid Dosage Drug Development and Manufacturing (2019)

Resolvendo aderência e picking através do projeto do comprimido

Solving sticking and picking through tablet design

Pharmaceutical Technology Suplemento Solid Dosage Drug Development and Manufacturing (2019)

Análise de partículas subvisíveis

Analysis of sub-visible particles

Pharmaceutical Technology Suplemento Partnering for bio/pharma success (2019)

Papel da morfologia das partículas sobre as taxas de dissolução de comprimidos

Role of particle morphology on tablet dissolution rates

Pharmaceutical Technology Europe, Vol. 31 Nº 5 (2019)
